Kitchen Units

Canvas Cutlery Bag **R2200 each**

- High quality canvas cutlery bags
- Easy to fit and pack into our kitchen units
- Cutlery bag is removable and can be carried to cooking/eating area
- Any cutlery, crockery, cooking utensils and other kitchen related items can be packed
- No restrictions on what items can be packed
- More usable than foam inserts

Foam Inserts **POA**

- We outsource all of our foam insert work to HD Foam Solutions
- Foam inserts are easy to fit and glue into our kitchen units
- All foam inserts are custom made to your requirements
- Items you require need to be supplied to HD Foam Solutions so they can measure everything up and send you different layouts
- Once you decide on a layout the foam inserts will be cut out and sent either to the customer or to us to install into the kitchen unit

Vents & Insulation

All canopies come standard with a front mounted pressure vent
Our pressure vent is suitable for ordinary conditions
Pop up vents are needed for fine or excessively dusty roads
Vents should be used in conjunction with a load bin/tail gate dust seal kit
